DETAILED ACTION

Claim Rejections - 35 USC § 102

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(e) the invention was described in (1) an application for patent, published under section 122(b), by another filed in the United States before the invention by the applicant for patent or (2) a patent granted on an application for patent by another filed in the United States before the invention by the applicant for patent, except that an international application filed under the treaty defined in section 351(a) shall have the effects for purposes of this subsection of an application filed in the United States only if the international application designated the United States and was published under Article 21(2) of such treaty in the English language.

2. Claims 1, 2, 4-28 are rejected under 35 U.S.C. 102(e) as being anticipated by Kim et al (US 6,766,528).

The applied reference has a common Assignee with the instant application. Based upon the earlier effective U.S. filing date of the reference, it constitutes prior art under 35 U.S.C. 102(e). This rejection under 35 U.S.C. 102(e) might be overcome either by a showing under 37 CFR 1.132 that any invention disclosed but not claimed in the reference was derived from the inventor of this application and is thus not the invention "by another," or by an appropriate showing under 37 CFR 1.131.

“and means for notifying the received guidance information”, see col. 2 lines 33-37, col. 5 lines 48-56,

“wherein the guidance information is extracted while the data broadcasting is displayed”, see col. 3 line 53 to col. 4 line 5.

Claim 2 is disclosed, see Figs. 1, 2, item 101, col. 5 lines 59-60.

Claims 15, 16 are rejected for the same reasons as claims 7, 8.

Claim 17 is rejected for the same reasons as claim 2.

Claim 18 is rejected for the same reasons as claims 4, 5.

Claim 19 is disclosed, see col. 5 lines 41-60.

Claims 20, 21 are rejected for the same reasons as claims 9, 10.

Claim 22 is rejected for the same reasons as claim 11.
